

# *Facilitator for the Demonstration Lessons by CEATE Awardees*

From time to time, the Arts Education of the Chief Executive's Award for Teaching Excellence [CEATE] Teachers Association and the Education Bureau invited awardees to give demonstration lessons to share exemplary teaching practices followed by a post-lesson debriefing for more direct interaction with participating teachers.

On behalf of the CEATE Teachers Association, Ms Tse acted as the facilitator in two such Visual Arts Demonstration Lessons on 21 April 2010 at Fanling Lutheran Secondary School and 11 May 2010 at St. Stephen's College.
