

## Mock Release of HKCEE

A special function called "Mock Release of HKCEE", jointly organized by the Counselling Committee and Careers Committee, was held on 12/3/2010.

A number of parents and alumni were invited as helpers of the function. This year, we adopted a programme designed by HKSKH Ma On Shan (South) Children and Youth Integrated Service Centre. The programme rundown was well-structured and smooth. Manpower of HKSKH Ma On Shan (South) Children and Youth Integrated Service Centre was also very adequate and that helped the execution of programme logistics. Generally speaking, students were stimulated and their concern on career planning were successfully aroused.
