

F.1 Admission Information Session

Big thanks to the 1800 guests who have attended our F.1 Admission Information Session! On 10th December 2017 many parents and their children studying in Primary 5 & 6 streamed into our school to attend the one-hour talk. The school hall that could accommodate one thousand people was quickly filled up after admission. The rest of the participants were directed to the lecture theatre and classrooms to watch the live broadcast. The MCs were Romeo Ng and Sara Cheung from 5B. Speakers included the Principal Vincent Cheng, Vice Principles Mr. Chow and Mr. Leung who shared on our school missions, curriculum and student development. Lastly Mr. Ng wrapped up the talk by going through the procedures of F.1 Admission. The response to the event was very positive.
